

Viktor Veterinarov

viktor.veterinarov@sciencespo.fr

Paris, France

EDUCATION

Sciences Po (Paris), France	2027 (expected)
PhD in Economics – Advisor: Clément Imbert	
Center for Monetary and Financial Studies (CEMFI), Spain	2021
MSc in Economics and Finance	
Lomonosov Moscow State University (MSU), Russia	2019
BSc in Economics, Best Thesis Award	

RESEARCH INTERESTS

Labor Economics, Public Economics, Inequality

PUBLICATIONS

Estimation of Electronic Procedures Effects in Public Procurement Under Favoritism

Voprosy Ekonomiki. 2023 (In Russian)

(joint with Sergei Belev and Evgenii Matveev)

Competition Policy, Corruption

Priority Development Areas and Productivity Growth in Russian Cities

HSE Economic Journal. 2021 (In Russian)

(joint with Sergei Belev and Olga Suchkova)

Public Economics, Policy Evaluation

WORKING PAPERS

Slavs Only: Open Xenophobia and Racial Disparities in Rental Housing

(joint with Vladimir Avetian)

Racial Inequality, Urban Economics

Public Transport: A Route to Reduce Employment Gap?

Labor Economics, Public Economics, Urban Economics

WORK EXPERIENCE

STICERD-Gates Hub for Equal Representation, London School of Economics (LSE) (Jul.2023-Jul.2024) Pre-Doctoral Research Assistant (Full-time)

Contact: Nina Roussille, Assistant Professor (MIT), nroussil@mit.edu

Project 1: The Illusion of Time: Gender Gaps in Job Search and Employment

Responsibilities: Designed and implemented a field survey in Pakistan University || Contributed to a gender-based behavioral fallacies measure about the job applications timing and probability of employment || Harmonized different waves of the survey and produced a united panel data set || Improved the coding pipeline for the empirical results replicability

Project 2: Downward Nominal Wage Rigidity in Imperfectly Competitive Labor Markets

Responsibilities: Built a job-level matched inter-quarter and inter-annual data set for wage changes || Examined that market concentration moderates the wage rigidity-inflation relationship || Measured the connection between local inflation sensitivity and firms' geographic concentration || Documented a summer wage rigidity reduction for students' first job

University College London (UCL), Department of Economics

London, UK (Sep.2021-Jul.2023)

Research Assistant (Full-time)

Contacts: Gabriel Ulyssea, Associate Professor at the Department of Economics (UCL), g.ulyssea@ucl.ac.uk

Clement Imbert, Professor of Economics at Sciences Po (Paris), clement.imbert@sciencespo.fr

Project: Forced Migration and Development, ERC Starting Grant

Responsibilities: Constructed firm dynamics measurements on the municipality level and by income quantiles using 100 million Brazilian taxpayers || Created coworkers' social networks through firm affiliation || Implemented causal inference measurement of migration shock effect on workers' decision-making || Calibrated a structural model of firm dynamics

Center for Monetary and Financial Studies (CEMFI)
Research Assistant (*Summer Internship*)

Madrid, Spain (Jul.2020-Sep.2020)

Impact: Produced semantic analysis (NLP) of job descriptions to track COVID-19 effects on the demand for “hard skills”

Responsibilities: Made a Bayesian inference for the Structural Topic Model (STM) for almost 2 million German LinkedIn vacancies for March-May 2020 || Geocoded vacancies with spatial econometric analysis, visualised it on a map

Gaidar Institute for Economic Policy (The Gaidar Institute)
Junior Researcher (*Part-time*)

Moscow, Russia (Jan.2018-Aug.2019)

Impact: Quantified that special economic zones increase the productivity of existing firms with no firm entry/exit effects

Responsibilities: Programmed an automated web-scraping || Aggregated data from firm-level to town-level by geocoding 400 thousand Russian firms || Made a causal treatment effect measurement based on propensity score matching

National Research University Higher School of Economics (HSE)

Moscow, Russia (Sep.2018-Jun.2019)

Research Assistant (*Part-time*)

International Research Laboratory for Institutional Analysis of Economic Reforms

Impact: Measured that USSR/Russia is comparable to Europe in terms of intergenerational social mobility

Responsibilities: Prepared a semantic analysis of surnames for 17 million Russian online social media users || Calculated intergenerational correlations based on archive information about university graduates

TEACHING EXPERIENCE

Econometrics 3: Treatment effects, Sciences Po (Paris), Master in Economics (2nd year) 2024-present
Teaching Assistant

Contact: Clément de Chaisemartin (Sciences Po), clement.dechaisemartin@sciencespo.fr

SKILLS

<i>Software</i>	R (advanced), Python (advanced), STATA (advanced), MATLAB (advanced), QGIS
<i>Languages</i>	English (advanced, IELTS 7.5), Russian (mother tongue), Française (conversational)

CONFERENCES, SCIENTIFIC EVENTS, AND EXTRA TRAINING

40th Meeting of the European Economic Association (EEA Congress) 2025
Bordeaux School of Economics. Participant and speaker

Short-Term Research Visit to the Massachusetts Institute of Technology (MIT) 2024
Host Professor: Nina Roussille

Fourth International Workshop “Market Studies and Spatial Economics” 2022
Université Libre de Bruxelles, ECARES. Participant and speaker

MPhil/PhD Applied Job Search Models course 2022
University College London (UCL). Participant. Course lecturer: Fabien Postel-Vinay, Professor of Economics

15th North American Meeting of the Urban Economics Association 2021
Selected for the Student Paper Prize Competition

10th European Meeting of the Urban Economics Association 2020 (cancelled)
London School of Economics. Selected for the Student Paper Prize Competition

First International Workshop “Market Studies and Spatial Economics” 2019
Center for Market Studies and Spatial Economics HSE. Participant and speaker

GRANTS, HONORS, AND AWARDS

Doctoral Contract 2024-2027
Sciences Po (Paris)

New Economic Talent Competition, Second place 2020
Center for Economic Research and Graduate Education (CERGE-EI)

María de Maeztu Fellowship 2019-2021
Center for Monetary and Financial Studies (CEMFI)

Anna Vuros Award for the best BSc Thesis 2019
Faculty of Economics, Lomonosov Moscow State University

Independent Jury Chairman – Kirill Borusyak, Assistant Professor (UC Berkeley)

Econometrics Game Finalist (Lomonosov MSU team) 2019
Department of Economics, The University of Chicago

Increased State Academic Scholarship 2018
Faculty of Economics, Lomonosov Moscow State University

Award for the Best Research Proposal 2018
Analytics for Management and Economics Conference
