Viktor Veterinarov

viktor.veterinarov@sciencespo.fr
Paris, France

EDUCATION

Sciences Po (Paris), France *2024–present*
PhD in Economics – Advisor: Clément Imbert
Center for Monetary and Financial Studies (CEMFI), Spain *2019–2021*
MSc in Economics and Finance
Lomonosov Moscow State University (MSU), Russia *2015–2019*
BSc in Economics, Best Thesis Award

RESEARCH INTERESTS

Labor Economics, Public Economics, Inequality

WORKING PAPERS

Slavs Only: Overt Discrimination and Racial Disparities in Rental Housing
Revise and Resubmit at the Journal of Urban Economics. July 2026
(joint with Vladimir Avetian)
Racial Inequality, Urban Economics
Public Transport: A Route to Reduce Employment Gap?
Labor Economics, Public Economics, Urban Economics

PUBLICATIONS

Estimation of Electronic Procedures Effects in Public Procurement Under Favoritism
Voprosy Ekonomiki. 2023 (in Russian)
(joint with Sergei Belev and Evgenii Matveev)
Competition Policy, Corruption

Priority Development Areas and Productivity Growth in Russian Cities
HSE Economic Journal. 2021 (in Russian)
(joint with Sergei Belev and Olga Suchkova)
Public Economics, Policy Evaluation

WORK EXPERIENCE

STICERD-Gates Hub for Equal Representation, London School of Economics (LSE) *(Jul.2023–Jul.2024)*
Predoctoral Research Assistant (Full-time)

Contact: Nina Roussille, Assistant Professor (MIT), nroussil@mit.edu

Project 1: The Illusion of Time: Gender Gaps in Job Search and Employment

Responsibilities: Designed and implemented a field survey in Pakistan University || Contributed to a gender-based behavioral fallacies measure about the job applications timing and probability of employment || Harmonized different waves of the survey and combined them into a single panel dataset || Improved the coding pipeline to enhance the replicability of the empirical results

Project 2: The Effects of a Shorter Workweek on Employment, Output, and Productivity

Responsibilities: Built a firm-level panel linking employment, payroll, and balance-sheet data || Constructed total factor productivity measures || Estimated causal effects of the 35-hour workweek reform using instrumental variables and event studies || Prepared reproducible data-cleaning and analysis code for the replication package

University College London (UCL), Department of Economics *London, UK (Sep.2021–Jul.2023)*
Research Assistant (Full-time)

Contacts: Gabriel Ulyssea, Professor of Economics at the Department of Economics (UCL), g.ulyssea@ucl.ac.uk
Clement Imbert, Professor of Economics at Sciences Po (Paris), clement.imbert@sciencespo.fr

Project: Forced Migration and Development, ERC Starting Grant

Responsibilities: Constructed firm dynamics measurements on the municipality level and by income quantiles using 100 million Brazilian taxpayers || Created coworkers' social networks through firm affiliation || Implemented causal inference measurement of migration shock effect on workers' decision-making || Calibrated a structural model of firm dynamics

Center for Monetary and Financial Studies (CEMFI) *Madrid, Spain (Jul.2020–Sep.2020)*
Research Assistant (Summer Internship)

Impact: Produced semantic analysis (NLP) of job descriptions to track COVID-19 effects on the demand for "hard skills"
Responsibilities: Applied STM to 2 million German LinkedIn vacancies || Geocoded and mapped vacancies

Gaidar Institute for Economic Policy (The Gaidar Institute) *Moscow, Russia (Jan.2018–Aug.2019)*
Junior Researcher (Part-time)

Impact: Showed that special economic zones increase the productivity of existing firms with no firm entry/exit effects
Responsibilities: Programmed an automated web-scraping || Aggregated data from firm-level to town-level by geocoding 400 thousand Russian firms || Estimated treatment effects based on propensity score matching

National Research University Higher School of Economics (HSE) *Moscow, Russia (Sep.2018–Jun.2019)*
Research Assistant (Part-time)

Impact: Measured that USSR/Russia is comparable to Europe in terms of intergenerational social mobility
Responsibilities: Analysed surnames of 17 million Russian social media users || Estimated intergenerational correlations

TEACHING EXPERIENCE

Econometrics 3: Treatment effects, Sciences Po (Paris), Master in Economics (2nd year) *2024–present*
Teaching Assistant

Contact: Clément de Chaisemartin (Professor of Economics), clement.dechaisemartin@sciencespo.fr
Teaching evaluation (Autumn 2025): Overall learning experience – 3.95/4.00 (Excellent)

Undergraduate courses, Sciences Po *2025–2026*
Introduction to Economics, Teaching Assistant, Contact: Jeanne Commault (Assistant Professor)
Urban Economics, Teaching Assistant, Contact: Clara Santamaría (Assistant Professor)
Quantitative Methods, Instructor (full course responsibility)

SKILLS

Software	R (advanced), Python (advanced), Stata (advanced), MATLAB (advanced), QGIS
Languages	English (advanced, IELTS 7.5), Russian (mother tongue), Française (conversational)

CONFERENCES, SCIENTIFIC EVENTS, AND EXTRA TRAINING

Conference and Workshop Presentations *2026*
Stone Center Summer Institute (UC Berkeley, US)
Conference on Economic Opportunities by Race and Ethnicity (Institute for Fiscal Studies, London, UK)
Workshop on Inequality, Innovation and Labor Markets Dynamics (Paris School of Economics)
21st World Congress of the International Economic Association (Belgrade, Serbia); IV Workshop on Public Policies (IEB – Universitat de Barcelona); 5th Workshop in Gender and Economics (University of Luxembourg); 3rd Patras Applied Microeconomics Workshop (Greece)

40th Meeting of the European Economic Association (EEA Congress) *2025*
Bordeaux School of Economics. Participant and speaker

Short-Term Research Visit to the Massachusetts Institute of Technology (MIT) *2024*
Host Professor: Nina Roussille

Earlier academic activities *2021–2022*
15th North American Meeting of the Urban Economics Association;
MPhil/PhD Applied Job Search Models course (UCL, Lecturer: Fabien Postel-Vinay);
Fourth International Workshop "Market Studies and Spatial Economics" (Université Libre de Bruxelles, ECARES)

GRANTS, HONORS, AND AWARDS

Doctoral Contract *2024–2027*
Sciences Po (Paris)

New Economic Talent Competition, Second Place *2020*
Center for Economic Research and Graduate Education (CERGE-EI)

María de Maeztu Fellowship *2019–2021*
Center for Monetary and Financial Studies (CEMFI)

Anna Vuros Award for the Best BSc Thesis *2019*
Faculty of Economics, Lomonosov Moscow State University

Econometrics Game Finalist (Lomonosov MSU team) *2019*
Department of Economics, The University of Chicago

Increased State Academic Scholarship *2018*
Faculty of Economics, Lomonosov Moscow State University
